

## God Is Able

24 July 2008

You can have influence! The Bible never once says you should not have influence.

Put away self-awareness but never put away **power**.

Victory is when you have influence over a certain situation.

To be a spirit-filled believer, you must have your mind tune to God.

Power is found everywhere around you.

Power moves in creative ideas.

Most wonders in the world are created from a creative idea.

*Should we avoid power?* But power is what God put into our life.

You are standing in the edge of power.

You have all the power you need.

**(Ephesians 3:20)** Now to Him who is able to do exceedingly abundantly above all that we ask or think, according to the **power that works in us**,

Means it is according your perspective. According to where you stand before God and communicate with God. But the condition is that it is according the power that works in you.

God Himself is the source of all power. The word omnipotent means He has all powers! And if His spirit is poured towards you, you have the power and energy!

When you hear the word "power", next word should be "works".

### **5 things that God is able to do in your life**

#### **1. God is able to save you completely.**

Why people don't experience God's power is when they say they do not need God. Basically unrepentance.

#### **2. God is able to keep you from sin.**

**(Hebrews 2:18)** For in that He Himself has suffered, being tempted, He is able to aid those who are tempted.

God was tempted so that He can link His power in your temptations.

#### **3. God is able to supply all of your needs.**

You should be cheerful because you can always count on God!

#### **4. God is able to help all diseases.**

Small or big ones, God can heal them all!

#### **5. God is able to deliver you from death.**

Even Jesus was confident of that before He went to the cross.

Prayers will open the windows of opportunity.

If you want anything done in your life, you must start with prayer!

God is the source of all power.

**(Matthew 17:20)** So Jesus said to them, "Because of your unbelief; for assuredly, I say to you, if you have faith as a mustard seed, you will say to this mountain, 'Move from here to there,' and it will move; and nothing will be impossible for you.

If you are a person standing in doubt, there is something you lack to receive power. And that is **faith**.

God is able, but the most difficult part is acknowledging that God is able. How? Through faith! Only through faith you can acknowledge God is there.

Faith regardless of how little is not insignificance. Faith may appear small but it is always a big setup or something more powerful. And it usually occurs with power.

There is not once that Jesus will reject faith. Never!

When faith is concern, power is present. Before the release of power, your faith will compact itself as a small thing.

You will always feel that your faith is small. A good prototype of faith is seeing your faith as a mustard seed – it has great potential in itself. The moment your seed releases power, faith will speak.

That is why you need to speak! You need to say words of affirmations!

When it is releasing power, faith is committed to never fail.

You will spend the rest of your life unpacking the seed called faith. It will keep unpacking and keep producing and reproduce. Power is supposed to influence! Influencing others in life.

#### **Conclusion...**

The cross has two beams.

Remember the beams as two words...

**Horizontal Beam** as “*Submit*”. Because your faith will meet with the conditions of the world. It is always fear vs. faith. The only way to show faith is to submit everything to the hands of God.

**Vertical Beam** as “*Submerge*”. Jesus did not necessary have to come down to earth as God-man. But still Jesus did. Jesus came down to submerge Himself, plunged into the world and merge Himself with this world. Because He had faith. Faith is submerging yourself in power.

Your faith and purpose connects. Plunging in to your present situation bringing in the power and glory of God.

Words become alive so it can mingle with life.

People fail to have faith because they often fail to submit or submerge.
